

Becoming The Bride of Yahushua 101

Hosea 4:6 King James Version (KJV)

6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

Introduction

This guide has been put together at the request of our Lord and Savior, Yahushua (Jesus The Messiah) to provide those lacking perspective in these areas with a quick breakdown of the essentials they need to know right now in order to participate effectively in spiritual warfare. This document has been created after much prayer to bring understanding, clarity and further revelation about these topics to Father's children globally.

It has been written to be easy to understand but not necessarily comprehensive. You are encouraged to conduct further research once you have read this initial document. Our sole motivation for writing this guide is to arm Father's children so that as many souls as possible may be saved.

We pray that you would have an open mind and continue reading until the end, as much of what you will read may be new and even shocking. We recommend that you save and print a copy first, as we are in the time of judgment, and the internet and the power needed to save and print may not be available at some point.

There are many sources from which this information has been gathered- documents, testimonies from believers, as well as those who were formerly under satan's regime. We have taken the main points and put them together, so that you may learn more about satan's kingdom and how he works. It is your responsibility to know the Word of God, verify the truths written here, and ask for discernment from the Holy Spirit. We have written this guide as a beginner's text to set your feet upon the path of attaining more knowledge and truth. If after reading the content you have further questions, please seek out your answers from Father and His Holy Spirit directly. We will not be able to respond to questions or comments, but we remain in prayer with all those who are the children of God.

We have attached at the bottom of this document, **powerful prayers for salvation, repentance and deliverance.**

The War is Real!

We are at war. It is occurring now, as we speak. If you believe in Yahushua (Jesus The Messiah,) then you are on the side of Yahuah, (God the Father). If you have not chosen Yahushua as your Savior or have rejected Him altogether, then you have given your allegiance to satan. There are no fence-sitters or non-combatants in this war. If you are lukewarm for the Lord, meaning you are chasing after the world as well as going to church to check the box, but are not on fire for Him and sold out completely

to Him, then you will be a casualty in this war, as you will not be able to withstand what is coming because you are half-hearted and are still giving allegiance to the world, and therefore satan. If you are not 100% for Yahushua (Jesus The Messiah), then you are against Him, and you will be refused entrance at the gate because He does not know you intimately. It is all or nothing, and there really isn't any way to sugar coat this fact. You have to ask yourself if Yahushua is number one in your life, or not? If He is, then you are in The Lamb's Book of Life and read on. If He is not, then you need to first search your heart and get down on your knees and pray. Ask Yahushua into your heart, repent of your sins, and forgive all who have hurt you in this life. Surrender to Him completely, and ask Him to have mercy on your soul and use you for His glory. He loves you with an everlasting love, and you were brought to this earth for His purposes and not for your own! However, you must make a choice to be all in for Father's Kingdom. There is no middle ground.

Many do not know that we are in a spiritual war. There are two main reasons for this. The first is that the enemy of your soul, satan and his demons have limited resources. They focus primarily on those who are moving in the direction of The Lord and have a call on their lives. They also focus on those who are about to wake up, have breakthrough and take up their cross for Yahushua. Because everything that happens on earth first manifests in the spirit, satan knows and always gets a heads up about who is going to breakthrough and come to Father. Anyone who is already destined for the lake of fire needs no further effort or control.

True, born again, sold-out Christians for Yahushua will often be under attack, as the enemy wants to prevent them from reaching a level of knowledge and understanding where they fully walk in their purpose and authority in Yahushua. This is the number one reason 90% of the world will not pass through the narrow gate (Isaiah 5:10). Most of Father's creation does not understand who they truly are in Him, and they will be destroyed for lack of knowledge (Hosea 4:6). This is an opportunity for you to learn and apply knowledge that is crucial to your spiritual growth and maturity.

Yahushua is calling His army to fight for Him right now. Satan thinks he has won, as hordes of demons from hell have been unleashed upon us, but he underestimates the power of Yahushua. It is our understanding that the first seal of the book of Revelation was opened in 2015, and Satan estimated at that time that 80% of the world did not believe in Yahushua (Jesus The Messiah), with the numbers continuing to plummet after satan held a strategic meeting at the same time, where he outlines his strategies and commandments for causing believers to sin and lose their salvation. This meeting was witnessed in the spirit by a believer who gave his testimony of what he saw and learned. Satan outlined 70 specific strategies and 10 commandments used to target believers. We will be exposing several of the key strategies and commandments throughout this guide. The entire testimony of satan's strategies and commandments has been fragmented into various documents. We have done our best to collect as many as we could in order to bring to light that these exist and help all of us learn how to combat them spiritually. We have also included prayers at the end of this document to be victorious in this war. We pray that you will read them out loud with boldness and recite them often with faith and conviction.

Understanding The Basics

Satan is another name for Lucifer, who as head of the evil world-system is the real, though invisible, power behind the successive rulers of the world from the beginning. As the anointed cherub, he was the highest creature Father had ever created. He was perfect in wisdom, beautiful beyond description, and the ultimate musician; but, also one in whom Father God found iniquity- Isaiah 14:12. He did not want to be God's servant. He did not want to do what he was created to do.

He wanted to be served, and there are millions who have chosen to do just that; serve him. They have listened to his lies and chosen to follow him in this life. Satan is a counterfeiter and a deceiver who has had thousands of years to perfect his plan against humanity, the children of God, those who are made in God's image. His plan is extremely sophisticated, and he knows the Bible better than most Christians. His strategies span every single aspect of our lives from family life, work, the church, technology, media, as well as makeup and how we dress. Do not underestimate the power of the enemy and his ability to manipulate and deceive through his demonic realm. You only have to watch genuine exorcisms to fully understand how demons can control a human- causing the disabled to walk, the blind to see or demonstrate extreme strength and powers. In the end times, many natural disasters and false miracles will be attributed to satan, the false prophet and beast and those who are not walking with Yahushua and listening to His Holy Spirit will be deceived and swept away.

Legal Rights

In order to harm us, Satan needs access to our lives. To do this, he needs a legal right, and he does this by influencing us to sin. When we sin, satan petitions against us in the courts of Heaven to be allowed to harm and harass us through illness, financial difficulty, accidents, and failures of every kind. Our sin and compromise opens the door for satan and his demons to cause havoc, torment, and pain. Repenting of all sin and covering ourselves in the Holy and precious blood of Yahushua is a necessary first step to remove the breaches that we have created, allowing the enemy a foothold in our lives. Once we have repented of all sin and forgiven all who have hurt us in this life, then we can move forward towards complete deliverance and the casting out the demons or spirits that have been oppressing us.

Psalm 66:18 King James Version (KJV)

18 If I regard iniquity in my heart, the Lord will not hear me.

Proverbs 1:28-29 King James Version (KJV)

28 Then shall they call upon me, but I will not answer; they shall seek me early, but they shall not find me:

29 For that they hated knowledge, and did not choose the fear of the Lord:

Casting out a demon or spirit after you have accepted Yahushua as your Lord and Savior means that you are covered in His Holy blood and are under His protection. You have power and authority to cast out the enemy in the Holy and Precious name of Yahushua and by His blood. If you have not yet come to this place of brokenness, conviction, and complete surrender in your life to Yahushua, then you must do this first. Casting out a demon or demons and leaving your 'spiritual doors' wide open as a result of not committing your life to Father will invite more demons to return who are 7 times more wicked than the first. People today need deliverance even more than healing in many cases, yet both are never taught in church. Consider the last words of Yahushua: Mark 16: "And these signs will follow those who believe: In My name they will *cast out demons*; they will *speak with new tongues*; "they will *take up serpents*; and if they drink anything deadly, it will *by no means hurt them*; they will *lay hands on the sick, and they will recover*." The reason most churches do not teach deliverance and healing is that they do not feel comfortable with these topics and have not been taught how to pray against and be victorious in casting out the enemy.

Uncovering Truth

Our current Bible and the 66 books included were decided by the Council of Nicaea in 325 AD. The 300 religious leaders who attended this council argued heavily in an atmosphere of dissension, jealousy, intolerance, and persecution before they came to a conclusion and selected the 66 books we now call the Old and New Testaments. All other books were removed and burned. The book of Hebrews was almost excluded, and the book of Thomas was excluded because he doubted our Lord and Savior, along with many others. The point is that much of the knowledge we need to understand satan and his kingdom was excluded from the Bible, with a death penalty imposed on those who read or were found with a non-canonical books that would shed light on how satan works.

If you believe that ‘we are walking on thin ice,’ then ask yourself, how do prayers work, how do angels travel from Heaven and to Earth, and why did Abraham build an altar and sacrifice animals to the Lord, when he had made a covenant with the Lord already? The Bible does not answer these questions directly, so we have had to search out the details, as the Lord has led us, and then put the pieces together for ourselves. Proverbs 25:2 (KJV) - It is the glory of God to conceal a thing: but the honor of kings is to search out a matter.

In the occult world, witches and satanists have detailed instructions and books on how satan operates and what they need to do to accomplish his aims. They use the same infrastructure God The Father has put in place, but for evil purposes, and satan’s demons and minions have explained everything to them. This puts the average Christian at a big disadvantage, especially when most Christians do not believe that satan even exists, and have little understanding of what Father requires to battle successfully in the spirit. Most professing Christians rely on their pastor or priest to present scripture and give its interpretation, when actually it is a commandment of Father to read our Bibles daily and seek out the truth for ourselves. Satan has a deliberate strategy to keep believers from the truth, and he is quite happy for Christians to go to church, as long as they don’t receive the knowledge they really need to engage in spiritual warfare against him and his kingdom.

Training Ground

Our time here on earth, after we come to the point of full surrender to Father and have chosen Him and His will for our lives with our whole heart, is a place of learning, training, testing and refinement provided by Father to mature us into His manifested sons and daughters. When we give up this world and focus on His will and desires and not our own, we begin our new lives as sons and daughters of The Most High, picking up our crosses daily in our walk with Him along the narrow way. We are taught to read the Word, follow His commandments, die to self daily and put the needs and interests of others first, as Father molds us into His own image. This is the high watermark that Father has commanded that we rise to in our upward call of God. During this journey, Father teaches us individually what we need to know and understand in order to come closer to Him in a relationship of intimacy but also mature in Him. When you are chasing after Yahushua and following Him, His commandments, and ways obediently, as He has outlined in His Word, then we are truly one in Father and He is in us. When we grasp that we are not separate from Him, and that He in us is the one who is rebuking and casting out satan and his demons, then we start to come to the understanding, faith, and courage to walk in the authority that has already been granted to us as overcomers.

Overcoming Sin

Many who desire a closer relationship and walk with Father are often overwhelmed by trying to live a sin-free life. Yahushua (Jesus The Messiah) was the only one who ever lived a sin-less life, and He has called us to separate ourselves from the world and the temptations that the enemy constantly presents to us so that we can avoid sinning. We are in the world but not of the world, and Father has given us His Holy Spirit, His Word- The Bible, the full armor of God, His whirlwind of fire, the angelic host, and prayers to combat sin in our lives. Living a sinless life is not possible, as we live in a cursed and fallen realm. However, we need to focus on living apart from 'willful sin.' This means engaging in an activity when we know it is sinful to do so. When the Holy Spirit convicts us of sin, we should repent immediately, asking Father to forgive us and cover our sin in His Holy and precious blood. We then need to commit to avoiding that sin in the future. Father knows our heart condition, and as long as we sincerely do our best to live apart from sin and do His will, then we are doing what He has asked of us.

The Power of The Cross

Yahushua's sacrifice for our sins on the cross was the ultimate sacrifice, and there is nothing satan can do to counter this act of love and authority. This is why calling on the name and blood of Yahushua is so powerful, and why demons must back off when a child of God stands in this authority and commands them in the name and blood of Yahushua, (Jesus The Messiah) to leave. This authority has been given to us. However, we must walk in this authority by claiming it and speaking Father's truths, scripture, and prayers out loud with power and boldness, covering ourselves in Yahushua's Holy and precious blood, putting on the full armor of God daily, and asking forgiveness for our sins and missteps as we forgive those who come against us moment by moment. This is real! This is war! A good soldier for God and the Kingdom is awake and eager to do what it necessary to learn, grow and rise to the calling on his or her life. The time is now! Father is calling all of His Bride to learn and rise higher in His calling on their lives.

Satan's Strategies

Overview

All tactics and strategies of the enemy are coordinated, layered and structured. They have one plan to rid the world of 66-90% of the human population. These satanists, occultists, witches and warlocks desire power, pleasure and immortality, and satan will promise them everything, even if it is a lie, if he can deny God the souls of His children.

The new world order is the greatest threat to the human race due to their power, money and influence. They have been doing everything possible to compromise us physically through the modification of foods, drugs and vaccines, as well as affecting the pineal gland in our brains which reduces our ability to hear God. Add to this fluorinated water, aluminum in the air through chemtrails and cloud seeding, aborted fetuses (HEK 293) in our food and drinks, and 5g communication and smart meters that target the brain during the night with specific detrimental frequencies and you can see that the powers that be do not have our best interests in mind.

Altars

Altars are places of sacrifice. Witches, Warlocks, Satanists and Occultist's use altars to project evil into our lives, as they make blood sacrifices and perform rituals, using animals and often humans in the process. They are well organized and work in teams against the children of God most often during the night, as this is when we are most vulnerable, especially between the hours of 3am and 6am. Spirits and demons are used to do the bidding of witches and warlocks in order to carry out satan's petitions on our lives. As satan is not omnipresent, he must use a network of demons or familiar spirits to monitor and learn our individual tendencies, strengths and weaknesses, desires, attitudes, behaviors and responses. These spirits provide witches and warlocks with the information needed to carry out attacks on us. Satan gives rewards to his demons and witches/warlocks for attacking, ensnaring and ultimately gaining souls for hell.

1. Procrastination

Demons are sent to visit believers' homes and cause them to put off until tomorrow what they should be doing today. The demon will cause believers to procrastinate about reading their bibles, discipling under authentic true biblical teaching and doctrine, praying, repenting of sin and so on.

When you feel a resistance to these activities rise up and fight to break through the inertia. If you find the lethargy immediately disappears this often is a clear sign you have been targeted. Do not fall for the temptation to put off the things of God and be prayerful at all times. Deny the flesh and realize how willing the spirit is to do the will of Father.

2. Relationships

Demons attack believers' moods, so they will have problems in their relationships. They will become easily agitated and argumentative. This undermines a believer's marriage, friendships, career prospects, family life and credibility.

Do everything through prayer and supplication, submitting yourself to God, renewing your mind daily in the Word. Above all, ensure you repent of any sin immediately and forgive all those who have hurt you in this life. If this is really hard to do, then tell the Lord it is an act of your will and ask for His help in releasing anything that is hindering you, e.g. pain and unforgiveness. You cannot give satan any legal right to attack you.

3. Surveillance

Satan is not omnipresent, so he must rely on a network of informants to tell him what is going on in the world and the lives of believers, or those who are coming to God. The purpose of this strategy is to gather information about believers. Monitoring spirits in general come under the heading of familiar spirits and their role is similar to guardian angels but in reverse. They record everything in order to predict what a person will do, collect evidence of breaches and also deliver curses. Animals can also be used by the enemy to gather information. A cat, dog or family pet is often used like a camera to gather information, but many other animals and insects are also used. Art objects within a home may be of

the occult without a person realizing its origin. These objects create breaches or open doorways into your home for the enemy and his minions to enter. Get rid of ANYTHING and EVERYTHING related to the occult in any way- books on dragons, magic and merlin, astrology, mythology, romance novels, books about murder/violence/death, fantasy material, games and cards tied to the occult, secular music and much of so called Christian music (whose artists are often compromised), tv shows and movies on DVD full of violence, murder, rape, etc... statues, pictures, cards, trinkets, souvenirs, can all carry spirits from the demonic depending on what they are and their origin.

Do your own research and ask the Holy Spirit to reveal what is in your possession that needs to go immediately. The same goes for religious icons of the Christian faith. By this we mean crosses with pagan symbols embedded and crucifixes that reinforce the death of Yahushua. Plain crosses, however, are fine. The 2nd commandment instructs us not to have any graven images or idols before us. Practices such as yoga, New Age meditation, martial arts, modern forms of some workout routines, all have roots in the occult and you should not participate in these things. The information is available for those who want more on these subjects.

Pray over your pets and consecrate them to God. Pray for the Holy Spirit to reveal to you any and all objects and items that need to be removed and do a thorough home cleaning. You will find, as we did, that it may take several times to completely cleanse your home from all the items that are not of Father. Pray that your home is completely sealed by the blood of Yahushua and surrounded by the whirlwind of fire.

4. Night Attacks

The number one time for demonic attack to occur is during the night, especially between the hours of 3:00 and 6:00 am with midnight being a common time for satanic meetings. When we are asleep, demons get plenty of time to work on us in a number of ways. Dreams are the most obvious, but so is physical abuse. The physical attacks happen during astral travel when satanists, witches, warlocks, and occultists can leave their bodies, which stay in a coma-like state, and travel around the world completely invisible to us. Demons and humans in an astral state can change their appearance in order to avoid being identified. Dreams vary from terrorizing, to erotic and manipulative - implanting thoughts to influence our decisions. Erotic dreams are common and sexual spirits- incubus and succubus, or marine spirits seek to claim us as a spiritual husband or wife and will drive away real-world partners and cause disharmony in order to secure their position. Low libido and low self-esteem often manifest when these spirits are at work.

This destructive cycle must be broken in the name and authority of Yahushua and His precious blood. As soon as you awake from any dream that is ungodly in any way, pray to cancel the dream and ask Yahushua to cleanse your mind from these thoughts and effects so there may be no defilement found in your subconscious or conscience.

5. Mind Control

Satan knows how easily the human mind can be subliminally programmed. You don't have to go to a hypnotist for this to happen. Many times simply watching the tv will have the same effect. The brain sees detail at a level you are not consciously aware of. This often happens during commercials to activate carnal lust to drive behavior.

The reason why the media is so dangerous is that satan owns it via the illuminati / new world order / freemasons, etc... Under satan's control, the illuminati and related groups own Hollywood, the music industry, news providers, government, legal systems, banks and institutions around the world. The music industry is particularly demonic as satan was in charge of worship in heaven before the fall. Today's popular songs are consecrated to satan using a demonic ceremony and have embedded wicked beats and lyrics that have been created in hell.

There is a common practice now among so-called Christian artists of doing what is called grave-soaking. This is said to be a way to receive the anointing from a dead believer. It's nothing more than witchcraft. Understand what you are watching and listening to and remove all tv shows and movies that include violence, murder, sex, foul language- especially those that take our Father's name in vain. If you can remove tv altogether, then this will give you more time to pray and read the Bible. Delete all music and artists that are associated with the one world religion-

The New World Order

The members of the elite do not care for us. They consider the world population as vermin and they want us dead. These members of the elite who get high on drinking the blood from the adrenal glands of sacrificed children have been promised power, money and extended life, if they give their souls to the devil, and they have. There is much more to be said about these people – books in fact - when it comes to their clones, hybrids, vril, (the power source of a subterranean race of beings) their symbols, etc... but this is a much more involved topic that will require additional research. What you really need to know is that satan has shared his technology and secrets with the elite, and they truly have technology beyond anything we can imagine. We need to be aware of this in order to prevent us from being deceived. They can control the weather and natural disasters- earthquakes, hurricanes, tornados and fire storms, e.g. California 2018; clone a human in 5 months or grow it normally as a baby in a surrogate mother; they can transmit voices into your head by vibrating your skull from a distance; they can project holograms from space into our skies and manufacture thousands of flying saucers; and they can even take over human consciousness using a creature that enters around the back of the eyes. It may sound like sci-fi, but they elite laugh at our ignorance, blatantly exposing their plans through movies, songs, and card games that predict future events.

They have the ability to create Hollywood style effects in real life, right in front of our eyes, and in our reality and will do so to pull off elaborate deceptions that you can read about in our article "The Truth Will Set You Free." It can be found on the right side of the website Behold I Come under the Contact information. Do not be fooled and pray against these technologies with the advanced warfare prayers provided.

Another factor to be aware of is how world governments have been doing everything they can to degrade our health and the pineal gland in our brains, as they know this is how we hear from God. Additives to our food, fluoride (neurotoxins) in the water and toothpaste, aluminum in the air via (chemtrails), tobacco, alcohol, music below 444hz (God's frequency) and so on. Genetically modified foods, aborted fetuses included in our food and drinks (HEK 293), vaccines to introduce new diseases, as well as artificially created diseases to reduce the population and create greater demand for medical cures are all examples of what governments under the auspices of satan are doing and have done for decades to make the masses dependent on the system. In fact, several scientists in the last few years who were about to release breakthroughs in the war against AIDS and Cancer suffered untimely deaths,

just like the many journalists who have tried to expose the globalists' agenda under the control of the illuminati. Ultimately, mind control is about keeping the masses dumbed down and distracted with fleshly pleasures from understanding satan's master plan to bring in the antichrist and to deceive God's children in the process. It is a well coordinated plan that spans many aspects of our daily life that is very sophisticated and crosses political boundaries. The further people fall away from God, the more vulnerable they are to all of satan's demonic attacks.

Read the Word of God daily. Pray for discernment and the greater faith to overcome all that is coming on this earth. Spend time with Yahushua and build a personal relationship with Him through prayer, thanksgiving and praise. Wait on Him and to give you direction and pray the prayers that we have included to seal and protect yourself from demonic attack or attachment.

6. Beauty and Hygiene Products

Satan has devised chemical makeup, deodorant, fragrances, lotions and soaps, and manipulated them for artificial beauty to be used as a tool against us. It is also a tool used to undermine the covenant of marriage. Some products are further cursed and when women use the products, they take on the scent of demons. A woman using these cursed products will be masked with the beauty of satan's sirens (women or winged creatures of satan) to be irresistible to men in order to cause men to sin and have sex with them outside of marriage. Every time these women are envied for their beauty, people are admiring and worshipping satan's sirens (demons)!

Please ensure that you pray before you buy beauty products. Pray before you use them. Cancel every curse and attachment to the beauty and hygiene products. Seek discernment that comes directly from the Holy Spirit on which products to use and avoid. Ask the Holy Spirit to reveal your motives behind using these products and make sure your heart and intentions are pure.

7. Proximity & Influence

Satan will motivate a believer's friends to influence him or her to stray into worldliness, diluting the gravity of sin. He will lure believers to participate in worldly conversations- complaining and back biting, so that they will sin by participation. Demons will arrange the conditions to impose an anti-biblical view around believers, and the moment they do not oppose this view, they become vulnerable to attack, the work of lawlessness and rebellion, as they have come into agreement with the enemy, watering down holiness and introducing worldly culture. Remember that not following Father's commandments and chasing after the world is rebellion in His eyes and this is as the sin of witchcraft.

You must be careful and mindful of your friendships- what is discussed and the group expectations placed upon you. You must stand up for your beliefs and the law of God, even in the face of ridicule. You must recognize these friendships may be used against you to try to corrupt you. You must be filled with the Holy Spirit always, taking every thought and word captive unto the Lord, and you may have to walk away. Take all friendships to your Heavenly Father in prayer. Remember that one rotten apple can spoil the whole bunch, and this may be the difference between life and death during the tribulation.

8. Satanic Baptism & Water

A demon can inhabit water targeting an individual unknowingly, such as a basin that has standing water in it (a toilet, sink, bath, vase). When the person uses the water to wash, for example, the demonic spirit inhabiting the water will cover them like a garment. Believers usually pray over their food and drink but not over their bath water or sink water. Thus, the demon can use the water as a tool against the unsuspecting believer. This demon will then transfer information about you to the kingdom of darkness, and he will try to possess the unsuspecting person. Other demons will then join him and a stronghold may be established in the body of a believer, requiring deliverance.

Consecrate olive oil by praying over it in the name and blood of Yahushua. Then put a drop into your toilet water and a drop into your bath water. Pray over your water supply and any water sources that enter your home or land. Your anointing and prayer(s) will cancel the demonic activity.

9. Condemnation

Demons, with great patience, listen and observe what comes out of a believer's mouth and use three main strategies against them based on what a believer speaks:

- Anger

Humans often do not control their words and behavior in times of anger, therefore, the demons use this opportunity to capture their words and condemn them. You must hold your tongue when angry and do not go to sleep angry. You **MUST** forgive all those who have come against you or hurt you in this life.

- Choice of Words

Satan condemns people using words of love. If they say, "I will only marry this or that type of man/woman," this is a verbal agreement binding him/her and invites a spirit of singleness. Another example, as reported by ex-satanists and witches is that if a believer calls their significant other "their angel" than their guardian angel will step aside leaving the individual unprotected. The Word of God teaches that our words can either speak life or speak death. Be very careful what you speak. The tongue is a fire, a world of iniquity: so is the tongue among our members, that it defileth the whole body, and setteth on fire the course of nature; and it is set on fire of hell. (James 3:6) You must be very careful of words you speak and be aware of the verbal covenants you are making. We are accountable to Father for everything we have ever spoken or done. Repent and cancel any negative words or agreements you spoken in the past. Cover all that you have ever said that has been hurtful, aggressive or selfish with Yahushua's Holy and precious blood. Rebuke the enemy's claims on you for the words you have mis-spoken in the past and listen to the Holy Spirit for His words and directions. Ask Father to cleanse you of all unrighteousness and read the Bible which will teach you new truths and renew your mind.

- Suffering

When we are suffering, we have the tendency to say, "I am miserable," "I am unlucky," "I'm sick of this", "nothing I do works," etc. The demons use these self-condemning words to bring

about the thing spoken. Do not fall into self-pity in times of hardship. Remember that negative thinking is not of God. Father has a plan, a hope and a future for you as in Jeremiah 29:11. God is your healer, deliverer, strength and salvation; your glory and the lifter of your head. If you are feeling down, put on the power of praise and watch the situation change.

In general, satan always waits for the most opportune moment to strike when his chances of victory are highest. We must never forget he was the greatest angel before his fall, and God gave him more than ample intelligence, so never allow yourself to get complacent with him and always be on your guard. Our fight is much harder now than it has ever been, and our adversary is great in number, but nothing is greater than Our Lord and Savior, Yahushua!! Hallelujah!!

10. Your Name/Ancestry

Satan will use a individual name or the family name to destroy them, and make sure that they become the essence of the meaning of their name. When demons hear the name of a person, they will work to change that person into the meaning of their name. Secondly, one who is named after a friend or a family member can take on the nature of that person using their name as a channel. This is why God changed people's names in the Bible to fit the purposes and plan for them. If you were not given a name with a positive meaning, then consider changing your name, or pray to be covered in that area. It is also your responsibility to recognize the generational curses that have transferred down through your family's bloodline and stop them! Many times, curses have come down through hundreds of years of rebellion and sin, because no one claimed the authority in Yahushua to plead the blood over their bloodlines and stop these curses from manifesting. We have prayer titled PRAYER FOR AGAINST ALL FORMS OF SATANIC BONDAGE for you on our site, Behold I Come. Please read it with conviction and do not stop until all the curses have been removed.

11. Destruction & Catastrophe

The demon Apollyon is responsible for destroying the lives of the children of God and setting them back to zero. If they undertake a business, he will disrupt it to the point that they make no progress and become discouraged and lose faith. Often this involves overloading them with work to take time away from family, their Bible and prayer. If they stagnate, it will weaken their faith and without faith it is impossible to please God. He is given orders to enter believer's homes and disrupt and demoralize them. He is given charge over wars, revolutions, social conflicts, racial conflicts and unrest and his goal is to make humanity lose faith in God through catastrophe.

War is desired by satan and his demons not just because of the death of unbelievers, but because human flesh and blood is the food of the spirit world. Blood is such a significant factor it deserves a document all on its own, and we would encourage you to read the verses in your Bible about blood and the Life in it and pray for understanding and revelation.

Remember how Job was tested and never lost faith and was greatly rewarded. Intercede for those who are struggling. Pray against demonic attacks and interference. Pray for the greater faith to increase your determination and perseverance in following God.

12. Sexual Sin and Soul Ties

This strategy causes illicit sexual intercourse between people to transmit demons and spiritual baggage to each other because they are forming a soul tie union as they become one flesh. As they join, they are also joining each other's families and taking on all of their spiritual baggage as well. Do not engage in sexual immorality or fornication (sex outside of marriage). Flee temptation. Keep your thoughts pure and deliver yourself of all evil soul ties. This is done through recognition of fornication outside of marriage, repentance and then prayer to release yourself from the soul ties you incurred with each person you slept with previously outside of marriage.

13. Color Manipulation

Satan uses color to connect people to a vibration within the astral dimension. Each color represents a specific satanic vibration. In the spiritual realm, vibrations or frequencies separate levels with God's frequency and that of his creation being of a much higher frequency compared to satan and his demons. As you grow in faith so does your frequency.

Colors are used to ensnare, manipulate and possess. Therefore, through horoscopes and zodiac signs, a color is assigned to each day of the week that will bewitch a person. Black = world of dead works of flesh. White = world of the cemetery in which we can sacrifice an individual to the power of witch magic. Satanic agents working in churches and covens are often dressed in white. Catholic priests are often attired in white because this religion is connected to the world of the cemetery. Valentine's Day calls for red and black, but the lord of witches and witchcraft dresses in red and black in the name of Harimal, who is the one who enables witches to fly and causes fornication. Valentine's day is rife with fornication and sexual immorality and the hotels are full. Red also equals violence, aggravation, stress, fighting, exaggeration, spending, sexual violence; Beige = hypocrisy; Yellow = human nature manifested; Green = seduction and control; Brown = removes decency, brings shame, obscenity, and is also used for Martial Arts power.

There is no need to dress in "seasonal" colors either as these are projected to us by the powers that be to come into alignment with satanic agendas. Do not follow the trends of the world. Pray over your wardrobe to deactivate any color associations.

14. Imposter

Many pastors and servants of God have their reputations destroyed because of false accusations. There are three targets: Marriage, Health, and Occultism. There is also an advanced method of slander used by witches and warlocks by acquiring hair, a fingernail, a piece of clothing of the victim and design a pseudo body or double in the likeness of them which will be worn like a mask in order to slander them. This will cause people to be misled and frightened by the imposter through nightmares, sleep paralysis, bewitchment using the body double, so they will feel abandoned by the real original person and that person will be ruined.

Discernment is key! You must have revelation and discernment in this area. You must seek the Lord earnestly concerning slander of any individual. If you become the victim of this type of witchcraft activity, which often attempts to prevent you from speaking audibly, you can speak the name of Yahushua Ha Mashiach (Jesus The Messiah) in your head and call upon Him even in your own mind and heart, and He will deliver you from the attack. Pray for much discernment in any regard of slander if you feel this is happening to you.

666 – This number is used openly in logo’s hand signs, bar codes and it signifies their collective unity.

Most technologies have also been influenced by satan including mobile phones. Consider the number pad:

$$1+2+3 = 6$$

$$4+5+6 = 1 + 5 = 6$$

$$7+8+9 = 2 + 4 = 6$$

Additionally, there is the symbolism around having the number 666 in your hand and putting this mark of the beast on your head which is significant when you consider the book of Revelation.

15. Forgetfulness

Satan will cause believers to forget to spend time with God. Forgetting to pray will result in a lack of spiritual strength. He will cause believers to forget to read the Bible which satan knows is a powerful book that can uncover his actions, if believers read it!

When believers forget to tithe and support their leaders and those Father puts on their hearts, satan can plunder their finances by sending hardships and sickness. When believers forget the law they will sin, and only after they sin will satan remind them of the law so they can feel guilty.

Remember! Do not be slothful or neglectful but keep the mind of Yahushua in all things. Set your mind upon the things of the Lord and prioritize time with Him. Make these things routine and you will not forget. Discipline yourselves and have self-control!

16. Heaviness

Demons cause a feeling of heaviness or lethargy within a believer so they will not be able to pray or read their Bible. A demon called Superhuman blows a bluish smoke to make believers feel heavy on days that they are to go to church or fellowship, so they will not feel like going. He will do this to cars, so they will break down unexplainably. He will cause the believer to want to relax instead of doing things to be spiritually minded. The smoke will cause procrastination also, especially as it concerns praying or reading the Bible.

The Bible says to put on the garment of Praise for the spirit of Heaviness. We are to recognize this feeling of procrastination is not from God, and we are to push through and overcome. Praise God and pray for the heaviness to leave.

17. Bringing Down The Church

Satan assigns witches to churches to combat spiritual growth. If a church is still growing, he will resort to criticism and create division. He wants at least one witch in every church, and they must be of a good attitude to be able to get close to the pastor. He wants information on every church. The witches must bring distraction to the churches through dialogue, laughter and jokes, socializing and fornication. The witches must wake up early to bewitch the place, so intercessors will be heavy and unable to pray effectively. Witches must oppose teachings and spiritual warfare. Beelzebub is charged with combating the Word preached in churches all over the world. He is to ensure the word preached is without revelation, without edification, and the preachers lose their fire and anointing.

He causes pastors to be focused on miracles, prosperity, and on earthly and temporary things. Beelzebub is also charged with crippling the leaders of the church financially, so they will begin to focus on just getting by instead of The Word and prayer. Satan will also target the pastor's wife to release strife in the home, causing the pastor to become demoralized by stress and sickness. He will bring women in to tempt the pastor to have sexual contact outside of marriage and put him in compromising situations to cause the loss of his anointing.

18. Lying and Deception

Satan is creating his own heritage with so many people resembling him! He commissions Beelzebub to capture anyone telling LIES to incorporate that person into his family, because satan is the father of lies. Anyone intentionally lying is immediately brought into Satan's family as his children, no matter their role in life, whether they be pastors, evangelists, deacons, etc... If they lie, they are his children. Beelzebub incites people to be prideful. Satan is also the father of pride and sin and wants everyone to sin and join his family, so they will be opposed to God. They must despise the Word and prayer, the men of God, the holy things of God, and they must oppose Bible traditions and values, denigrating Christianity.

One of the biggest lies believers participate in are the traditions and customs of the world. Our calendar was altered from the original Hebraic calendar to change the seasons and feasts that Father commanded His people to know. There is a wealth of information on the internet available about the popular traditions of the 'holidays' that most people blindly follow and practice. Please do your due diligence

and search out the truth about your participation in pagan and occult practices as this is willful sin. We are referring to Christmas, Easter, Valentines, Halloween, etc. Ask the Holy Spirit to convict you in the areas of your life where you are compromising and teaching these things to your children. So much of what is practiced is not only non-biblical but completely pagan and of the occult. Satan has also deceived through the teaching and practice of Sunday being the day of rest instead of Saturday, His Sabbath.

Do not be like the world, lovers of pleasures and money, but come out of the world and be like children of God. Submit yourself unto the Lord in all your ways. Resist the devil and He will flee. In all your ways acknowledge God and He will direct your path. Hide God's Word in your heart so you will not sin against Him.

19. Secular Music

Music is satan's domain and the world music industry praises him. He works with music to capture the ears of believers to poison and contaminate them. He uses a device called SOUND. There is CODED SOUND in the form of RINGTONES used in clocks, games and mobile phones, and he works at Noom (the time at midnight and midday) which is a strategic time. MIDI means Noom in French. Satan instructed a scientist to turn his kingdom anthem into a ringtone in order to connect humanity to his infernal kingdom. A demon called Halloween is assigned to intervene when a ringtone is played of satan's kingdom to capture the conversation of humanity and believers, and he transmits the message to Leviathan. Leviathan teaches people to LIE over the phone. SOUND is powerful and is used constantly to influence you everywhere you go.

Stop and listen even for a moment, every time you enter a business, restaurant or anywhere different types of lyrics and music are being thrown at you. It is all programmed and strategically done to target you and control your minds. Your fear of the Lord protects you, but we are called to be very, very aware of what is going on around us. Sadly, however, the masses are comfortably numb. A radio or tv playing secular music attracts Fulfur and his sirens. Fulfur can then invite Satan to your very home. Satan likes his throne in the midst of secular music in opposition to God who makes His throne in the praises of His people. When secular music is played in a house, the sirens will remain and become spiritual wives to the occupants, so by playing secular music you are inviting this into your home.

Satan's Government

Satan has a triad government of three demons. The first is apollyon whose aim is to destroy the divine capacity placed in man. Next is belial and nickel who cause death and the leading of souls to the underworld. Lastly is the fallen angel called the queen of heaven who is in charge of technology which is used as a tool to bewitch humanity. She controls the brain of the main underground computer located in the marine civilization and is responsible for the rapid development of technology. Technology has been responsible for accelerating sin also. Also, because satan can't read minds, mobile calls are routed through the kingdom of darkness before reaching the recipient so they can listen in. The same goes for the internet with www = 666 when translated using Hebrew letters.

The Three Heavenlies (Earth, Astral and Heaven)

The earth is the first heaven where Satan is God and this also includes Hell. Satan's domain is the second heaven invisible to most of us, but it is where witches, Satanists, occultists, etc... can operate. The third Heaven is where God sits on His throne. Satan petitions God there in order to afflict us, and hence, this is where the Heavenly Courts operate. Hell is inside the earth and the entry points are via volcanoes or portals. As Hell fills up, so does volcanic activity.

Demonic Hierarchy Structure Colossians 1:16

Thrones / Kings / Governors.

Dominions / Governments

Principalities / Princes / Archangels / chiefs

(geographical location / people / churches / Ministries / communities ...)

Territorial Spirits maybe many or few and come against the region as a whole based on the sin of the land collectively and are controlled by the principality

Tribal Spirits – witchcraft, occultist, Satanists, etc... spirits are also subject to principalities and often have ceremonial focal point locations

Strongman / powers / ruler demons

(fear, rejection, anger, rebellion, etc..)

Minions / foot soldiers / subordinate rulers

(They are under influence and authority of their leader)

The political power capital on earth is Washington and the Vatican is the seat of religious power.

Calling on The Name of Yahushua (Jesus The Messiah)

Sometimes calling on the name of Jesus doesn't work. This will happen in the Great Tribulation when ancient demons are released, and they don't know the name of Jesus, and Yahushua must be used. However, most of the time it is because of sin. Here is a quote from Jezebel (spirit of immorality) after a woman rejected this demon in Jesus' name, and that she belonged to Jesus and was born again, washed in his blood. The demon responded: "If you belong to Jesus, why hasn't He come to save you from my hand? You think you can serve God and Mammon (wealth and the material focus.) Haven't you heard that a little yeast defiles the whole lump of dough? You belong to me, because of your uncleanness which has defiled your whole righteousness."

In this case the woman was performing sexual acts with her husband that she had learnt through pornography, and even though she had stopped watching prior to marriage, the continued practice of sexual acts she had learned had shown loyalty to Jezebel. Once she realized her sin, she immediately repented and her chains were broken. The moral of this story is that there are many sins Christians don't know are sins and are in danger of losing their salvation because they have never repented for them. In this case it was oral and anal sex, but it could have easily been masturbation that deprives your spouse of the intimacy reserved for marriage. Pray over anything you think may be a sin to get 100% clarity from the Lord. Remember, if you don't feel peace about it, it's best to make some changes and be prepared to tackle sensitive and ugly topics head on.

Satan's Commandments (We believe there are a total of 10)

Satan copies and perverts God's laws and commands so that he can gain a legal right if a believer breaks the command. Below is what is known of a few of these commandments:

Images that Cause Attraction and Sexual Immorality

This strategy uses women to morally and mentally corrupt men through seduction by desire of the female form. Women who deliberately wear seductive clothing or show excessive flesh are working with satan to stimulate men and to increase their sexual appetite. Satan goes against God's laws (Exodus 20:4) on imagery by mass producing images (underwater sirens) infused with evil powers so that believers will be attracted to and idolize them. Lamatsu is a demon siren from the marine kingdom that is in charge of bewitching makeup and hygiene products. All these products were cursed by satan in bulk. Anyone who falls into envy due to the beauty of the people wearing these products will fall into an agreement with satan and be in breach of God's law. Additionally, demons coerce women to expose skin and cause men to lust. Much effort is also spent influencing fashion companies to produce provocative clothes in particular colors that will cause both men and women to sin. Avoid situations that will expose you to visual temptations. If you suddenly find yourself caught up in a visual temptation that you did not expect, rebuke it, cover yourself in Yahushua's Holy blood and ask Father to forgive you and remove any attachment of the spirit of lust.

Persistent Weakness

The goal of this commandment is to find a specific weakness in every believer that can be used against him or her in order to create a direct tie to satan. This will be a targeted attack on that weakness that begins after a period of observation. Temptations then begin in order to manifest the nature of lucifer in the believer. Once this happens, the believer becomes visible in lucifer's satanic mirror which is a device given to demons. This is used prior to attacks, as it provides insight into negative thought patterns but this is only due to the negative vibrations received, and it will not work on more positive thoughts. If an attack is unlikely to succeed, the demons assigned are instructed not to attack. When an attack is likely to succeed as witnessed through observation, 1000 demons attack the person's weakness in unison to try and ensnare the person in sin and ensure victory. Should the believer have a strength, then 10,000 demons are sent against the strength- (Psalm 91:7).

Allowing sin to become habitual and repetitive allows it to turn into an idol, thus breaking God's commandment to have no other God's before him. This creates an open doorway for the enemy, even if your praying and fasting. Do not let a sinful behavior become rooted in you, otherwise it will be difficult to break. Nip things in the bud as soon as you notice them. Pray for strength and for the Holy Spirit to convict you of any engrained sin. Repent of this sin and remove all temptations associated with that sin, e.g. computer, laptop, or any other device.

The Saturday Trap

This day is ruled by a demon called baron samedi who dresses like a stylish overt priest and is the spirit of death. This satanic commandment is about getting people to party on this day in a wild and sexual

manner where people wear revealing clothes, drink alcohol to lower inhibitions, and listen to secular music with demonic beats- the kind of activities not done during the week. These events are traps where believers' angels are unable to attend, leaving them vulnerable. Part of the tactic is to get you to return to sins you previously abandoned at a time of lower inhibition. This can cause an emblem of a dog head to be associated with the believer (seen in the spirit world), as those who have taken up previous sins have returned to their own vomit as the Bible specifically states for those who return to willful sin.

This tactic becomes especially effective after midnight on Friday, when 58,000 demons are released across 5 continents to attack during the sleep period in preparation for Saturday. After this wave, 32,000 demons are released between 12am and 6pm focused on worldly desires and not of God. The next wave of 62,000 demons under Lilith is from 8pm to midnight and is focused on bewitchment, prostitution and fornication with their influence running into Sunday causing tiredness. Prayer against this should happen before midnight on Friday to disrupt these tactics and avoid these traps altogether. Again, these details and testimonies are from former satanists and witches who have testified to these practices.

Dishonor Your Parents

(Exodus 20:12 commands us to honor our mother and father.) Beelzebub is the demon of confusion, and it is his job to get believers to dishonor their parents most often through slander and criticism. This also affects those who hear and do not leave or rebuke what is being said. We must repent of not honoring our parents and do our best to treat them with love and respect.

Fornication, Economy and Politics

Persephone is the demon in charge of the ground forces on planet earth. For this reason his role is to transmit vibrations that cause people to fornicate and commit sexual sin. Also, persephone influences politics, religion and the economy so people suffer. In church, his effort is to get priests/pastors focused on things of the earth and not of heaven. Many world leaders have been corrupted through sexual immorality and blackmail in order to acquire their cooperation and loyalty in implementing satan's plans via the many secret societies and witch / demonic / satanic / occultist covens. These individuals are the real-world powers that span geo political boundaries, all controlled by satan and in agreement with his plans.

Fasting and Prayer

Just as believers pray and fast, so do witches, satanists and occultists. They use the same system, but for evil motives. They may understand the power of fasting better than most believers do, as they will fast 30+ days to achieve their goal.

We need to have a robust prayer life and joy in the Lord always. Put on the full armor of God, his blood covering and hedge of protection EVERY day, especially before you go to sleep. This is critical for your protection and sanctification. The enemy has the power to physically kill unprotected individuals. To protect people in risky situations, the Lord uses intercessors, so that Our Lord may deploy His hand.

Bind the Lord and his teachings to your heart. The Word of God is a lamp to your life providing you support whilst you are awake or asleep. Maintain sound judgment, discretion and The Lord will give you an ornament of grace around your neck so that you do not stumble and remain safe. The Word of God is life. Proverbs 3:19-22- “The Lord by wisdom founded the earth; By understanding He established the heavens; By His knowledge the depths were broken up, And clouds drop down the dew. My son, let them not depart from your eyes—Keep sound wisdom and discretion; So they will be life to your soul and grace to your neck.”

Before praying, always understand that God is Holy and we must sanctify ourselves through His blood and water first. This is why confessing our sins must be done before prayer and from a sincere and contrite heart, having also forgiven ALL who have hurt us in this life. If we do not forgive, then Father will not forgive us. Bitterness is like cancer and does you more harm than you may realize. The seeds of bitterness remain in your heart and can be seen in the spirit. Let Father’s love bathe you and look at the person who has hurt you as a fallen child. We all have sinned, and we all have hurt others. Let go and allow the pure milk of the Word to renew your heart and mind! Also, be specific when you are calling out your sins and repenting of them. If you do not know if you have sinned in a particular area, pray and ask the Holy Spirit to reveal any unrepented sin. Afterwards, thank Father for His forgiveness.

Sing songs of praise and worship often. This is also an excellent way to shift the atmosphere and spiritual frequency higher (even if you can’t sing well.) In Heaven, praise and worship is continuous and non-stop. Remember Paul and Silas? Acts 16:25, “But at midnight Paul and Silas were praying and singing hymns to God, and the prisoners were listening to them. Suddenly there was a great earthquake, and the foundations of the prison were shaken; and immediately all the doors were opened and everyone’s chains were loosed.” Praise and worship are very important and must be part of our prayer life always.

How to Pray

The first step in prayer is to address Our Lord sincerely and intently with total focus and concentration! He will be in your midst, so it helps to visualize him near you, as it is written He is always with us. Your goal is to enter the presence of the Lord in spirit so nothing else matters and you lose awareness of your surroundings and environment. Witches understand this very well as this level of concentration is also needed before they can astral travel, leaving their bodies in a coma like state.

The Power of Prayer

When you start to pray, make sure you are behind closed doors or in a place where you will not be distracted. Ask for forgiveness of your sins and forgive all those who have come against you. Enter Father’s gates in heaven with thanksgiving and praise, thanking Him for all that He has blessed you with and allowed you to experience in this life that has molded you into the person you are today. Thank Him for coming in the flesh to die for you that your sins could be forgiven and you could return to right relationship with Him and receive eternal life! Praise Him for His goodness and His greatness! Praise Him for His majesty and His love! Praise Him for always being faithful and true, and never leaving you or forsaking you. Continue to pray and be focused. Try not to let your mind wander. Effective prayer is focused prayer with humility and supplication before Him, where you desire with all

of your heart that Father would hear your petitions. In the spirit, when a believer prays, smoke starts to rise. At this point, demons will attempt to distract you so that your prayers do not ignite and break through the second heaven. Any distraction that is successful will reset your efforts and you must start the prayer again from the beginning. Once you break through, you become less conscious of time and nothing can stop your prayers from being heard. After your prayers end, the open heavens of anointing stay with you and follow you and have a very positive effect on all those who come under your covering. This is very effective when evangelizing. When a regular location is used it develops an incredible anointing that is powerful in influencing non believers to come to the Lord, healing and deliverance. People who enter these places will become convicted of their sin but without support will not breakthrough and will be targeted by satan to prevent them returning and also by strengthening his hold on them. For those who do break through they are marked by satan. These people become the focus of demonic research looking for every opportunity to attack them in their lives to destroy them and rob them of their anointing. When you break through you get answers sent back via your angel. Your angel wears your armor that you should always pray for and wear. If your angel lacks a piece of armor this is where the demons attack to try and block the angels getting you your answer. (As described in Ephesians 6:11-17) They also steal your blessings for themselves. For example, when a witch doctor gives a woman a child, that child comes from a stolen blessing from a woman who prayed for a child and didn't receive the blessing! If the demons manage to imprison your angel then you are left completely defenseless. Worse still, this allows satan to send his own impersonator angel in their place leading to false visions, answers, prophecies and so on! Listen to your heart and what the Holy Spirit is saying to you about what is going on in the spiritual world and be prepared to take action immediately. Work as a team with God and wear your armor tightly! The Holy Spirit may tell you to act in the middle of the night because he can see what you can't and he always acts in your best interests.

The 10-point plan by Alice Bailey for a New World Order (Pre WW2)

Alice Bailey was the founder of the Lucifer Trust, the publishing company for the UN, established by the Rockefellers, who reached an agreement with the US Government to buy the land for the current United Nations building in New York in order to entice the Americans into the previous League Of Nations which they had rejected following WWI.

This was the first stage of the Illuminati New World Order with the plan for a Second World War already on the agenda, as suggested by General Albert Pike, author of "Morals and Dogmas", generally regarded as the Freemasons' guide book:

- TAKE GOD AND PRAYER OUT OF THE EDUCATION SYSTEM
- REDUCE PARENTAL AUTHORITY OVER THE CHILDREN
- DESTROY THE JUDEO-CHRISTIAN FAMILY STRUCTURE OR THE TRADITIONAL CHRISTIAN FAMILY STRUCTURE
- IF SEX IS FREE, THEN MAKE ABORTION LEGAL AND MAKE IT EASY
- MAKE DIVORCE EASY AND LEGAL, FREE PEOPLE FROM THE CONCEPT OF MARRIAGE FOR LIFE
- MAKE HOMOSEXUALITY AN ALTERNATIVE LIFESTYLE
- DEBASE ART, MAKE IT RUN MAD
- USE MEDIA TO PROMOTE AND CHANGE MINDSETS
- CREATE AN INTERFAITH MOVEMENT
- GET GOVERNMENTS TO MAKE ALL THESE LAW AND GET THE CHURCH TO ENDORSE THESE CHANGES.

Conclusion

What has been presented here for you is a lot of information, but it doesn't even scratch the surface of what is available. Instead of being overwhelmed by what is given here, go directly to Father and spend some time with Him. Ask His Holy Spirit to convict you of the areas of your life you need to change or repent of. Then, as you are led and time permits, you can learn more about how those things the Holy Spirit pointed out to you are influencing your life, and how you can make the necessary changes. Pray for radical faith, and for discipline. Pray against distractions. Make the decision to LET GO of everything that is not of God in your life. Commit to Him whole-heartedly once and for all.

Your goal in this life is to KNOW Yahushua in intimacy, then know who YOU are in Him, and then go on to fulfill your purpose while here, glorifying Him! James 5:16 says 'The effectual fervent prayer of a righteous man avails much.' What makes your prayers effectual are these things:

- 1) You are doing all you can NOT to live in willful sin.
- 2) You are placing God first in your life no matter what, and doing your best not to let anything get in the way of your relationship with Him.
- 3) You are reading and studying the Bible.
- 4) You are following His commandments to the best of your ability.
- 5) You are praying for the Holy Spirit to convict you of your sin and repenting as quickly as you can.
- 6) After repenting you are doing your best NOT to sin again.
- 7) You are living a holy, righteous lifestyle and avoiding all things/relationships that lead to sin.
- 8) You are being diligent and persevering each and every day.
- 9) You do not follow religion, man's traditions and rituals as the Bible teaches these do not lead you into an intimate relationship, and will not lead you to knowing Yahushua the Messiah.

Again, God will not hear the prayers of those who do not follow His commandments, therefore in order to have your prayers heard and answered, piercing through the 2nd heaven which is satan's realm, you must follow these guidelines or you will be ineffectual.

Our small spirit family has done our best to get this guide out to you as quickly as we could, as we know that time is no more, and more souls are being lost everyday. Please, seek truth with everything you have, don't waste another second. People are destroyed because of lack of knowledge. Don't let this be your destruction as well.

We love you.

Yahushua loves you,

Behold I Come Spirit Family

A SPECIAL LETTER FROM JESUS CHRIST FOR THE HARD TO REACH

My most precious child,

If you are receiving this letter, it is because someone loves you very much. He/She may not have been able to talk to you about this in the past, or perhaps they have talked to you about Me, but you were not ready to listen.

The most important thing I want to tell you is that I LOVE YOU. I love you more than anyone in this world could ever love you. I want you to read this now and learn of Me because you are running out of time to learn the truth.

Life as you know it now will suddenly and radically change in an instant and I want you to be ready.

MY NAME IS YAHUSHUA, JESUS CHRIST, THE MESSIAH.

I have come to you to give you eternal life. I have come in the flesh and given you the most ultimate sacrifice anyone could give in that I died for you, shedding My blood to atone for your sins; not only those sins you have committed in the past, but for every sin you will ever commit.

The price for your sins has been paid. I was the sacrificial lamb, slain for you. Your debt is paid.

I did this so that you could have access to the Kingdom of Heaven with Me and Our Father forever. You were beautifully and wonderfully made, intricately designed, and purposed for so much more than this life.

You have known all along that there was more, that your heart yearned for something greater, something that would fill the emptiness, fill that space inside and 'complete' you.

It is My greatest desire that you know that what you have been looking for is Me! I am the One who has created you for a special purpose and whose love for you will never die!

My gift is a free gift, no conditions, all you need to do is accept this most precious gift from Me and you will then have all My promises.

You must know that you could never do anything on your own to earn My love, or earn your way into Heaven. Your acceptance of Me and My sacrifice is all that is required. My blood covers all, and ensures you will live with Me always.

I have given you a book- The Holy Bible - that tells you all about who I am. It is your instruction manual in this life, and it tells you not only what has happened in the past, but it also tells you what is about to happen to this earth.

I love all of My creation so much that I always let you know what I am about to do. This is why you are receiving this letter. I am about to make Myself known in a very powerful way. Because so many have chosen not to accept Me for who I am and follow My commandments for your lives, I will shake the very foundations of all you know to be your security. This is how I will get the attention of My creation.

I do not want you to be in fear, and I do not want you to miss the most important reason that you were born to be here. This reason is to have an intimate relationship with Me. To not choose Me is to choose a life in darkness eternally.

I am the Way, the Truth, and the Life. I offer you this gift and this decision because of the free will I have given you. I would never force you to love Me, but you must know that to ignore My desires for your love means eternity without light, love, peace and joy. It is a life wasted and cast away.

Don't waste another moment believing the lies of My enemy, the devil. Don't believe that life will go on continually the way it always has been.

Time as you know it is over and I am coming to make all things new. The signs of the times in which you live are all around you. Life as you know it has become unsustainable. Everything that can be shaken, will be shaken, and you will be forced to make a choice for your very survival.

You will choose to trust Me, the One who created you, or you will trust in a system that will fail. My Word speaks truth and all else that is not of Me will collapse.

Please, come to Me now. Come as you are. I love you no matter what you have done.

My blood washes away all your sins and makes you white as snow. I will keep you and protect you, I will provide for you and when it is your time, I will take you home with Me.

I will only have so many warnings, and then the sudden-lies will be upon you. Will you be ready? The choice has always been yours.

If you accept this free gift and desire to know Me intimately, and want to spend eternity with Me in complete peace and love, please say this prayer (out loud.)

Prayer:

Father, please forgive me for all of my sins. I accept your gift. I believe that you sent your Son Jesus to die for me, and that He is your only Son. I believe that His blood has paid the price for all the sins I have ever committed, and all those I will commit. I trust in you as My Creator and all of your promises. I surrender my life to you and ask that only your will be done. I invite your Holy Spirit to come into my heart and change me, and make me more like you. I want to be obedient, and I need your help. Please come into my heart this moment Yahushua and make me a new creation in you.

In Yahushua's name I pray,

AMEN

Your loving Father,

Jesus Christ, the Messiah (Yahushua Ha Mashiach)

(I TIM. 4:1,2) In the name of Yahushua, I bind up every root of fear,

doubt, unbelief, discouragement & every deadly D from despair to depression, the spirit of pride, rebellion, disobedience, self, ego, independence, unforgiveness, bitterness, lust & the flesh.

YAHUSHUA REBUKE YOU, YOU EVIL, UNCLEAN SPIRITS. (Jude 9, Zec. 3:2) I loose in Your name Yahushua, deliverance, freedom & liberation, peace, joy, hope, gladness of heart, love, healing & wholeness, mercy & grace, blessings & favor, restoration of the years that the locusts have eaten (Joel 2:25), the resurrection power of Yahushua, a mighty harvest, & a boldness to witness for Yahushua. Amen and Amen!!

ALWAYS REMEMBER, God hears ALL our cries and prayers (Ps. 34:4,6,15,17. His thoughts about us number more than the sands of the sea (Ps. 139:17,18), He loves us with an everlasting love (Jer. 31:3 & John 3:16). His promises are Yes & Amen (II Cor. 1:20). We know that satan's a liar but God has never lied nor broken a promise or covenant (Heb. 6:18, Num. 23:19, Titus 1:2). He is the God of the second chance to infinity. Nothing is too hard (Jer. 32:17, Gen. 18:14), nor impossible for Him (Luke 1:37). With man it is impossible, but with God, ALL things are possible (Matt. 19:26, Mark 10:27). He is faithful (Ps. 89, Heb. 10:23), His Word does not return void (Is. 55:11,12), He magnifies His Word above His name (Ps. 138:2) & His Word is settled in Heaven forever (Ps. 119:89). We need to trust Him & His Word, no matter what trials or tribulations we are facing, whatever mountain, valley, desert, storm or goliath that is in our life. TRUST HIM! Naham 1:7 tells us, "God is good, a stronghold in the day of trouble & He knows those who trust Him." He tells us we have worth & value in His eyes (Jer. 29:11-13), He is our helper (Heb. 13:6) who has compassion, mercy & grace for each of us. Gods' forgiveness is bigger than my sin. If I confess my sins, God is faithful & just to forgive me of my sins & cleanse me of ALL unrighteousness (I John 1:9). Once I confess & repent, God remembers them no more (Ps. 103:12). They are put in the sea of forgetfulness (Micah 7:19). They are under the BLOOD of JESUS, and we are set FREE, with no condemnation (Rom. 8:1), especially from ourselves. We must learn to forgive ourselves. Praise and Worship must be included in our prayers. We have the VICTORY!

PRAYER OF REPENTANCE

Yahushua, Son of the Father,

In all humility and with our love and holy fear, we bow down before You, our Savior. May our guardian angels bow before You and bring You the prayers of our heart day and night and may they protect us from all evils when we sleep and rest. Hear the prayers from our lips whether alone in our quiet places or among our Brethren; through tears of sorrow or songs of praise and joy.

Lord, may we never ask for more than what is good for our souls and for our salvation. You showed us the Father and taught us how to pray and live as children of God. You said we should seek, ask and knock when we're in need. You said you would never leave us nor forsake us. Jesus, You alone made us worthy to enter into Heaven when our lives come to an end. We thank You and praise You for Your love, Your life, and the promises You made and kept.

You said You would go and prepare a place for us in Your kingdom.

In Your kingdom Lord, hear our prayers now. You see and hear Your poor banished children of Eve. Before You, our world is so dark.

We Your children, Your people, see and hear the evils of our modern world. Families and children faithful to You tremble in fear of Your coming justice. Lord, we know Your Holy Words and love them. We repent of all our sins and call out to You our God. As You took pity on Abraham, Moses, Noah, Ruth and Naomi, the children of Israel, and all Your beloved disciples, so too take pity on us in our trials and tribulations in our lives of this modern and depraved world we live in. You said You'd never leave us nor forsake us. But Your Holy Words warned us of sorrows, persecutions, and even wars. Lord, we are weeping for ourselves, our families, and our children. We weep and repent of our own sins that wound You once more. Send Your Holy Spirit upon us, so that we may live more simple lives and be ever faithful, brave, forgiving, and charitable children of God the Father. Help us to shake off the ways of the world and be only faithful to You.

When the world sees us, may they give all honor and praise to You. We are Your bride who await Your coming. May you find us worthy. In Your holy name we pray. Amen

FATHER'S PRAYER AGAINST ALL FORMS OF SATANIC BONDAGE

Dear brothers and sisters,

This prayer is the result of several personal situations, experiences, attacks and cries from the hearts of those who have contacted me for prayer and assistance in dealing with enemy spirits. It comes as a result of the need for deliverance and breakthrough, to walk in freedom from curses, not only generational but curses placed on people by witches or warlocks or those in the demonic realm. The fact that the darkness is so widespread and ever-increasing is more than apparent. We as the people of God, must obey the commandments given to us to rise to the occasion and utilize the tools Father has given us in His Holy Word to battle the enemy forces. We are not victims! We have been given instructions on how to pray, and it is our responsibility to take this seriously and be vigilant in doing so each and every day. This is not a prayer to be taken lightly, or said quickly. Please examine your hearts and consider having communion in fellowship with Father prior to saying this prayer as you are led by The Holy Spirit.

Shalom, Julie

WORDS FROM OUR FATHER

My children, it is I your Kinsman Redeemer, the One who was raised from the dead. You are precious in My sight, and I love you with an everlasting love, this you know.

I would this day ask you again to trust Me with all of your steps, from the first to the last. When I ask you to step out boldly, I mean in the Spirit, for your weapons of warfare are not carnal.

This prayer that I have asked My daughter to make known is for this time. A very powerful darkness has descended upon you and this world, and the gates of hell have been opened.

Prayer is your most powerful weapon, as it allows My hand of mercy and grace to move powerfully on your behalf and on the behalf of others. This prayer that I am asking you to say out loud in faith is to set the captives free from the grip that the enemy has on their hearts and lives. Bondage has many layers and the effectual prayers of the righteous availeth much in My Kingdom.

Will you trust Me to lead you? Will you trust Me to know that I would never put you in harm's way? Will you answer My call upon your lives to be prayer warriors and intercede for not only your loved ones and families, but the lost and all of mankind?

My words are holy and they are true. They will never return void. I am asking you to join Me in this prayer. We walk as One mind, One body, and One Spirit. I am calling you now to step out in faith. Will you allow Me to move through your prayers powerfully? Will you do this for Me, as I have done for you?

Your loving Savior,

YAHUSHUA

Please pray the prayer below, believing with all of your heart that Yahushua will set you free and deliver you from the enemy and all he has used to come against you in this life.

Any time we bind or rebuke enemy spirits, it is always with the understanding that it is Father who lives within us, who we are united in one accord with, who is doing the binding. Also, as is emphasized repeatedly throughout the blog messages, we must always keep our armor on as stated in Ephesians 6. We are always to speak Father's words boldly and with humility giving Him all the praise, honor and glory.

FATHER'S PRAYER AGAINST ALL FORMS OF SATANIC BONDAGE

Dearest Father ABBA,

Yahushua, I pray that Your blood would wash over my mind, my body and my spirit and cleanse me from any unrighteousness that may be found in me. Renew in me a pure thought life, and make me holy as you are holy. Create in me clear eyes, clean hands, a pure heart, and a steadfast spirit that desires you and only you in this life.

I come to you to ask you for healing from the evil, demonic and perverse spirits and demonic attachments that have manifested in and/or around me, or have affected me or any of my loved ones. I take responsibility for the things I've done, the things I've allowed, and even things that have been done to me against my will.

I bind and come against in Yahushua's mighty name anyone or anything that has cursed me, placed a spell on me, or attacked me. I stand in your power and authority Father and will take a stand against any anti-christ spirit that has arisen in my life.

Right now, I forgive _____ (speak the names of those that have sinned against you) so that I can also have my own sins forgiven, and I ask You to empower me to do so. As a matter of my will, I choose to forgive them and ask that You, Father give me grace and strength to not take this offense back into my heart.

I ask that You heal those that have perpetrated sins against me, and set us free from the perversity and sin that has had us bound. Wall in with a hedge of thorns all those who have arisen against me or my loved ones, in the seen or unseen realm, until they find you as their first love, Father.

Yahushua, I give myself to You and ask that You forgive all sin in my life.

Father, in the name of Yahushua, I repent on behalf of myself and those in my family line who have had sexual relations with evil spirits, familiar spirits, with Incubus/Succubus spirits, and the demon Mare. I renounce and break any covenants or dedications to the Nephilim, Baal, or Belial.

I repent for anyone in my family line who has had any connections, ties, agreements, or allegiances to the Harlot spirit and the Queen of Heaven. I repent for all who participated in any fertility rites or rituals, and who sacrificed, worshipped, danced before, or gave offerings to any gods or goddesses.

Father, I repent for myself and all those in my family line who have had night or spirit husbands, night or spirit wives. Father, forgive us/them for rejecting You as our husband, our First Love and forgive us/them for our unfaithfulness towards You. Forgive us/them for finding comfort from these spirits and for looking to them to fulfill our/their desires and needs.

Father, I repent of every contact, personal and generational with all night-husbands and night-wives, and I renounce all night husbands and night wives which have been assigned to function specifically within my family. I repent of the blood covenants which opened the door to these spirits. I cut every soul tie with this family spirit. I repent of the deception adopted by my ancestors that polygamy is acceptable and for any deception which was one of the ways in which the door was opened to sexual spirits.

I repent for those in my family line who were involved in astral travel, dark practices such as the occult, and new age practices. I repent for any involvement with witches, sorcerers, magistellus, or familiar spirits. I renounce all night spells, charms, enchantments, or allurements used by witches and warlocks at night. I renounce any positions, possessions, powers, or any secret knowledge that have come from darkness. Please close all ungodly pathways, gateways, portals, cracks, or seams into ungodly realms or the underworld. Bind anyone or anything that is using astral travel to torment me or my loved ones. Remove all defilement and tainting, and as Your child, please restore my godly dreams from heavenly places.

I repent for myself or any of my ancestors who have visited sangomas, witches, or warlocks for their "love witchcraft." I repent of them buying, accepting, and using their love potions. I repent of rituals performed, invocations offered up, and any using of baths, washes, charms and psychic prayers.

I repent of having my body rubbed with ungodly ceremonial liquids or allowing ungodly ceremonial or commercial liquids to be poured over my body with or without my knowledge.

I repent for the breaking up of marriages, covenants, divorces, and the destroyed relationships that resulted from having relations with these spirits. I ask that you would break off from me and my family

line all false love, lust, hatred, impotency, frigidity, sickness and disease that have been caused by these spirits and renounce any stronghold formed by these spirits.

I repent on behalf of myself and my family line for all fornication, adultery, incest, orgies, sodomy, homosexuality, and sexual addiction. I repent for all pornography, rape, abuse, ungodly masturbation, lust and fantasy lust, and any ungodly sexual contact with other people, any bestiality, and all sexual perversion and sex for money.

I repent on behalf of myself and my family line for shedding innocent blood through abortion and human sacrifices. I repent of murder, pride, greed, rage, hate, jealousy, pretense, falseness, cursing, and lying.

Father, on behalf of myself and my family line, I repent of having been involved in acts that showed worship and obedience to Satan and his demons through having sexual relations outside of marriage. Father, forgive us for not following Your commands.

In the Name of Yahushua, I renounce all ungodly soul ties with every person I have been sexually involved with, physically or spiritually. Father, I ask You to break these soul ties from my spirit, my mind and my body. Break, you evil spirits in Yahushua's mighty name. I now apply the Blood of Yahushua Ha Mashiach over all ungodly ties.

Father, I repent for allowing these evil spirits to reduce and control my will. I now command my emotions, my mind, my will and my intellect to come under your authority. I am no longer vulnerable, or accessible to these demon spirits.

I bind Satan and all his works. I stand in the authority that I have as a believer and in the name of Yahushua Ha Mashiach, I cast out any spirits that have been residing in or around my body or my dwelling place, or those of my loved ones. I command all confusion to leave, and I call back all parts that have been scattered or fragmented to come back into one accord with my Master and King, Yahushua.

Satan, you are not my husband or my master. I renounce you. I divorce you. I want nothing to do with you ever again. I reject your seed and your lies. I reject, refuse, renounce and divorce all unclean demonic spirits of perversity including - spirits of lust, pornography, pedophilia, voyeurism, domination, brutality, homosexuality, confusion, gender confusion, astral projection and spirit travel, mischievous and trouble-making spirits, spirits of double-mindedness, unbelief, sodomy,

rape, anger, rage, bitterness, unforgiveness, witchcraft, lust, idolatry, hardheartedness, accusation, familiar and familial spirits, pride, rebellion, and death.

I renounce and divorce Lulu and Lilith, and all the offspring that comes from Satan and his demons. If there is anything of Satan's seed implanted within me, I command it to shrivel and die immediately in the name and authority of Yahushua Ha Mashiach. I repent for any ways that I have knowingly or unknowingly come into agreement with these spirits, and I humbly submit myself to the King of kings and the Lord of lords, Yahushua and the authority of His Holy Spirit.

I submit to You, O God, and I resist the enemy, commanding him to flee from me and take everything he has put on me, everything he has brought into my life, and every seed that he has implanted into my belief system. I reject every seed of Satan - I command them to die immediately in Yahushua's mighty name. I curse Satan's seed and declare, "YOU WILL BEAR NO MORE FRUIT EVER AGAIN," by the name and authority of Jesus Christ. His blood covers these sins, and I command these doors to be shut, never to open again.

Let every cord of sin, shame, fear, witchcraft, and soul ties from ungodly sources be severed now, in Jesus' name. I renounce the soul ties to former lovers, spouses, and others that may be tied to me in the spirit. Let any fragments of their souls return to them, and let any scattered and fragmented parts of my soul return to me, in Yahushua's name. Let all those that practice witchcraft find the door sealed and closed by the blood of Yahushua.

I bind and forbid the entrance of demonic spirits into my life in Jesus' name, according to your promise in Matthew 18:18 - *what is bound on earth has already been bound in heaven.*

I loose myself from all shame, resentment, fear, insecurity and feelings of inferiority that have come upon me as a result of sexual molestation and other sins against my body-both those that were done without my consent, and those that I may have participated in willingly or unwillingly. I command them to go now back to the abyss in Yahushua's name. I bind the screech owl that brings terror by night and forbid it to enter my life, that of my family or my home, in the name and authority of Yahushua.

In the name of Yashusha Ha Mashiach, I renounce and repent of all worship of the baphomet goat god through my own sexual sin or the sins of my ancestors, and I bind any and all spirits that have come to torment me or attach themselves to me or my loved ones because of those sins. I bind the goat god and break every effect of the black art and craft, of riding the goat, the violence of that ceremony and

the resulting fear. I break the ties of ritual abuse through this spirit, the goat god. I renounce and break off from my life the insanity that comes from worship of the goat god and its spirit of bestiality.

I repent on behalf of my and my spouse's forefathers who have demonstrated their sworn loyalty to Lucifer through performing the obscene kiss. Cleanse me of every vile effect that has come down the generational line as a result of this allegiance. I renounce the worship of satanic consummation, satanic ritual consummation and satanic ritual abuse.

I repent and break the aphrodisiac of inflamed sexual lust and sexual addiction coming from the fire of the goat god.

I renounce and break every effect and tie to the satanic bible and its baphomet seat, along with all satanic magic, sex magic or sex alchemy.

I renounce all curses of sodomy, bestiality and perversion that come from worshiping this male, female and animal 'in-one' Azoth sexual deity.

I renounce and break every effect of the witchcraft symbolism of the baphomet hand.

I renounce and break the seal of satan, the pentagram on the forehead and the opening of the psychic 'third eye'.

I renounce and break off my forehead the 'Golden Triangle' and its opening of the psychic 'third eye'.

Father, I ask you to cleanse me from every dimension of the third eye and close that psychic entry point. I ask you to close all psychic entry points in Yahushua's mighty name.

I renounce, smash and break every effect of the twisted horns of the goat god and break their power over my life and that of my family's life.

I renounce and break all fragmentation of the mind, schizophrenia and personality disorders in my family line as well as myself through the worship of the goat god, bestiality and all abuse.

I renounce and break the baphomet tie to female breasts to destroy, mutilate, maim and dismember, or any worship tied to the female breast, and the spirit of pornography and worship of oral sex.

ADVANCED WARFARE PRAYER FOR INCREASED DEMONIC ATTACKS

In the name of Yahushua Ha Mashiach, (Jesus The Messiah), King of kings and Lord of lords, I ask you to fill me to overflowing with your precious Holy Spirit, Ruach Hakodesh, as I pray these words in your mighty and powerful name. Your Word teaches that I have the power and authority to tread on serpents, scorpions, and over all the power of the enemy and nothing shall by any means hurt me (Luke 10:19), and so Heavenly Father, I pray that all forms of evil in my life, and that of my loved ones, be sent back NOW to your feet for judgment. You have already won the victory Yahushua, conquering evil, sin and death for all time and I declare these truths in this realm.

Father, I come to your courtroom, entering Your gates with thanksgiving and Your courts with praise, asking that my sins and transgressions be forgiven, as I forgive all those who have come against me. Please Father hear my prayers and petitions on behalf of myself, my loved ones, and all of your children globally. I ask you to avenge us of the enemy of our souls. Greater is You who is in me, than he, the adversary who is in the world. No weapon formed against me will prosper and every tongue that rises up against me, You will condemn. This is my heritage as a son or daughter of the Most High and my righteousness is from You. All enemies of my soul, I send you to the court of My Father, The Great I AM. I break you, all evil spirits and ask for the Holy Spirit to destroy you by fire and bring you to ashes. Every power declaring dominion over me, you are a LIAR! Break and be brought to ashes in Yahushua's mighty name. Serpent of death and every strong man, break and be brought to ashes in Yahushua's mighty name. Every attempt at satanic or witchcraft programming of any kind, break and be brought to ashes by Yahushua's Holy Spirit Fire. Every mouth that speaks any wickedness against me or mine, break in Yahushua's mighty name. Any power that is reporting me to satan or his demons, break and be destroyed in Yahushua's mighty name. May every stolen blessing come back to me and mine in the name of Yahushua Ha Mashiach.

I bind, smash, and send back to You, Yahushua for judgment all demonic thrones, principalities and dominions, powers, minions, territorial and tribal spirits, and any and all demonic spirits who are attempting to infiltrate my life or the lives of my loved ones in any way. I forbid any and all of satan's demonic ranks of demons from exerting influence over any area of my life- my workplace, my vehicle(s) and transportation, my dwelling place, my finances, my health, my children, my relatives, my interactions with others, and the region where I live and work. Whatever it is, I forbid them from operating against me or my loved ones today and always in the mighty name of Yahushua.

I pray for Holy Spirit fire to bind, smash and send back to Yahushua for judgment all demonic altars throughout the world and in the heavenlies. I ask Yahushua to seal those portals now in Yahushua's mighty name, never again to be opened. I bind and smash witchcraft in any form. I declare that every evil pronouncement into the atmosphere that has been made against me or my loved ones be nullified and destroyed NOW by Your Holy Spirit Fire, and by Your Holy and precious name Yahushua.

I bind, smash, and send for judgment to Yahushua all demonic kings, princes, and world rulers who are representatives of every demonic spirit ever known or unknown. Yahushua's power and authority strips each and every demonic spirit and its hierarchy of power, armor, and rank, and I pray Yahushua that you separate every demonic spirit from each other. Yahushua speak confusion into the ranks of the enemy, and declare their assignments against me and mine this moment are hereby rendered null and void in your mighty name. I ask you Yahushua to paralyze their tongues and curses, rituals and blood sacrifices. Cause confusion Father in their ranks and with their communications, and distort and sever all contact between every demonic being known or unknown. I declare that every demonic utterance be scattered and fragmented in Yahushua's mighty name; and for every attempt a demonic spirit makes against me or mine, I pray Father that you will send recompense seven times more powerful backagainst that spirit or spirits and destroy them completely. Yahushua has declared that all demonic spirits are rendered powerless because of His sacrifice, and we come into this agreement this moment and forever in the mighty name of Yahushua Ha Mashiach.

I bind, smash and send back for judgment all demonic spirits inhabiting animals, strange and ungodly creatures, hybrids, mutations, giants, shape shifters, artificial intelligence, and the nephillim, or so called aliens. I bind, smash, and forbid any and all types of sorcery in my life, the lives of my loved ones, and all those who are the children of God in the mighty name of Yahushua.

I bind, smash and break all evil affecting my senses of sight, smell, touch, taste, and hearing; all evil against my mind and emotions; all evil against the seven points of the body used by witchcraft and new age practices known as the chakras- the base of the spine, spleen, navel, heart, throat, between the eyes, and on the top of the head. I bind, smash and break all evil sent to attack and harm my body, Yahushua's earthly Temple- the digestive, skeletal, muscular, reproductive, respiratory, circulatory, and nervous systems, including every other system and related part of the body- brain, organs, skin, tissues, cells, and especially my blood which carries My Father's precious and Holy DNA. All witchcraft sponsored infirmities focused on my body, my loved ones or the children of God, break and be brought to ashes now by Father's Holy Spirit Fire. I bind, smash, and send back to Yahushua for judgment all attempts by demonic forces to corrupt my or my loved ones' DNA and that of our bloodline by infiltration of any kind. I break and cancel any attempts to implant into my body or that of my loved ones anything that will change my or their DNA and cause corruption.

I cover every source of nourishment that enters my body or the bodies of my loved ones in the form of food or drink with your Holy and precious blood Yahushua. I declare that all attempts by demonic forces to infiltrate or cause harm in any way to our bodies through unclean, tainted sources and practices be null and void this moment in Yahushua's mighty name. I especially bind and smash all attempts by the enemy to infiltrate my DNA or the DNA of my loved ones by causing the consumption of any form of tainted or corrupt substances which have been altered from their purest and original form, in any way. This includes all genetically modified substances and substances that have been tainted with unholy blood coming from aborted fetuses, or ungodly practices strictly forbidden by Our Father.

I bind, smash, and break with Yahushua's blood and His Holy Spirit Fire, any and all witchcraft, evil powers and demons giving assistance to, or pulling energy from my body or the bodies of my loved ones, as they draw power from the planets, sun, moon, and stars, constellations, air, wind, fire, water, light, darkness, matter, the elements, or from lines, squares, circles, symbols, artifacts, or by any other means whereby spells, curses and potions are used against me or mine.

In the name of Yahushua, I bind, smash and break any transference of demonic spirits sent by satan or his demons, witches or warlocks that would come against me or mine- family, friends, or acquaintances. I take up the sword of the Spirit, The Holy Word of Yahuah, and I sever all evil soul ties between these evil spirits and my family, friends, and acquaintances. I pray that this prayer would be in effect by the blood of Yahushua for all those in my family line and all those I have ever met or have had contact with in this life.

Yahushua, in your mighty name, I cover all communications and equipment that I or my loved ones use daily with Your Holy and sanctified blood, and I declare that no demonic force or spirit of any kind is permitted to enter, travel through or control any device(s) that we use. This includes all media- phones, tablets, computers, internet, wifi signals, electric or solar connections, generators, plumbing, and all other devices used as a part of our daily life. I anoint and seal all entrance points with your precious blood, covering them and preventing them from all infiltration attempts by demons of any kind.

I refuse to accept the mark of the beast spiritually and physically, and I pray Yahushua that you would enable my loved ones to understand the consequences of taking the mark of the beast when it becomes mandatory in this world in order to buy, sell and survive. I command all demonic spirits coming from the evil eye, third eye, masonic eye, and the all seeing eye in the name of Yahushua to go to Him immediately for judgment and be sent to the lake of fire.

I cancel by the blood of Yahushua any and all satanic covenants, oaths, vows, pacts, permissions, petitions, entrances and agreements made by all my ancestors going back to Adam and Eve. Any curse whatsoever made by any agent of satan that has been placed on me or my bloodline from any generation is now declared null and void by the mighty blood of Yahushua.

Yahushua, before I sleep tonight, I pray You would cover me, my loved ones, and all the children of God with Your Holy and precious blood, surrounding us with your warrior angels and Your whirlwind of fire, and I ask that you would place your blood on all entrance points to my dwelling place and that of my loved ones- gates, doors, windows, and entrance ways, etc... preventing any attempt by the enemy or his minions to visit or enter and cause torment in any way. I declare that every spirit of the enemy, whether unclean, familiar, or however a spirit is attempting to manifest during the night that will disturb my sleep and trouble my mind or that of my loved ones, break and be destroyed and brought to ashes now by the Fire of The Holy Spirit. I declare that I will have peaceful dreams of the Kingdom this night, and I renounce all dreams of torment, death and sorrow in the name of Yahushua Ha Mashiach. Every night demon, especially lulu and lilith, and incubus and succubus spirits receive the arrow of destruction and sword of Yahushua's Spirit, break and be destroyed by His Holy Spirit Fire NOW in Yahushua's mighty name.

All dark angels who are watching me or my loved ones from demonic realms, break and be brought to ashes NOW by the fire of Yahushua's Holy Spirit. Every satanic network that is operating against me or mine, I send Yahushua's Holy Spirit Fire to destroy you. Father, deflect any arrows by day and terrors by night from locating me or my loved ones, and place us in Your supernatural wall of fire, insulating us from all attacks of the enemy. From the entrance to the exit of my dwelling place or that of my loved ones, up and down every stair or level, I position Your power and presence Yahushua to monitor and prevent any satanic invaders from coming against me or mine while we sleep.

I forbid the entrance of any type of demonic creature, hybrid, animal, or any other demonic being or minion from entering my dwelling place or that of my loved ones while we sleep. All demonic spirits attached to anyone or anything in the area of my dwelling place are hereby rendered ineffectual, harmless and broken and destroyed by Yahushua's Holy Spirit Fire.

Yahushua, Father, I loose Your love, Your power and authority in this place, Your protection, Your strength, Your healing and wholeness, Your mercy and grace, Your blessings and favor, and all provisions needed to fulfill my purpose. I loose the restoration of all that the enemy has stolen from me or my bloodline, and I pray that more children of God may be saved by these prayers and obedience to You. I ask for twelve plus legions of angels to preside over my dwelling place, and me and mine, in order to keep the enemy from attacking any of us.

Father, Yahushua, my entire existence is consecrated to You, and I ask for Your mighty and powerful blood to always cover, course through and protect me from all forces of darkness, no matter what they may be. Thank you that I can speak these words of prayer from my heart with all confidence and assurance that You are faithful to Your Word, and that when I speak these words, they breathe life with every utterance. BATTLE CRY OF THE BRIDE

This offensive war prayer should only be used when guided to do so by our Lord and Savior. Stepping out without the Lord's authority, protection and reinforcements is dangerous. For this prayer to be effectual, you must have repented for all sin and be sure of your deliverance, so that satan has no legal right of attack against you. This is war, and praying this prayer switches you from the defensive to the offensive, and it WILL provoke a response.

Be absolutely sure that you have no revenge or unforgiveness in your heart for what satan has done to you in the past. Father's strength is in His love and mercy, but vengeance is also His, and we are living in the last days of judgment. Now is the time to stand up and fight, all who are walking in complete obedience to Father and are ALL IN. Fight for your place in the Lamb's book of life and that of your brethren. Stand up and take your place in the rank and file of God's Holy Army and call down His Holy wrath and Holy Spirit Fire on satan and his army so that they may be judged. All that is needed for evil to succeed is for good men to do nothing!

This prayer has been put together using the War Scroll found in the Dead Sea Scrolls collection which describes how the Israelites fought in battle. Bible scriptures and an adapted prayer from the missionary worker Kenzo Atsushi have also been included.

Prayer:

Father, we enter into Your gates with thanksgiving and into Your courts with praise! Although we do not seek war, war is upon us, and the enemy of our souls seeks to destroy us. Let us not turn to the left or the right, but look our enemy of darkness in the eye, so that he and his minions may see that we do not fear, for there is no fear in love. Perfect love casts out fear, for God has not given us a spirit of fear, but of power and of love and of a sound mind.

Sing Hallelujah to the Lamb. Sing Hallelujah as we tighten our armor. Sing Hallelujah as we march forward. Sing Hallelujah as we stand in the gap for the weak. Sing Hallelujah as we give our lives to the Lord, for He is our Savior, Redeemer and KING OF KINGS!

Lord, we call forth 444 legions of Your elite warrior angels to valiantly battle with us this day. May we all be strengthened and wrapped in Your Holy armor of truth, faith, salvation, and righteousness, walking in peace and wielding your sword of the spirit. May our flaming sword of Your word of truth, the Word of God, divide asunder our enemies and bring terror to their battle lines. May your Ruach Hakodesh (Holy Spirit) empower us and keep us obedient to Your will and good pleasure.

May we go forth into spiritual battle against the hordes of hell under the outstretched arm of our Lord and Savior, Yahushua Ha Mashiach. We will say of the Lord, "He is our Refuge and our Fortress, our God, in Him will we trust." We shall not fear the terror by night, nor of the arrow that flieth by day. May a thousand fall at our side, and ten thousand at our right hand, but it shall not come near us, for we shall see the reward of the wicked. The Lord is our refuge and our fortress, in Him will we trust, and NO evil or plague shall befall us, for He shall give His angels charge over us to keep us in all His ways and on His narrow path.

AMEN.

As we open the gates of war, on our trumpets, according to their function we shall write:

The Called of God for the congregation, The Princes of God for the chiefs, The Army of God for the levies; Summoned by God to the Council of Holiness for the men of renown. On the trumpets for breaking camp write: The mighty Deeds of God shall Crush the Enemy, Putting to Flight all those who Hate Righteousness and bringing Shame on those who Hate Him. On the trumpets for battle formations write: Divisions of God for the Vengeance of His Wrath on the Sons of Darkness. On the trumpets for summoning the foot-soldiers to advance write: Reminder of Vengeance in God's Appointed Times On the trumpets of massacre write: The Mighty Hand of God in War shall Cause all the Ungodly Slain to Fall. On the trumpets of ambush: The Mysteries of God shall Undo Wickedness. On the trumpets of pursuit write: God has Smitten All the Sons of Darkness. His Fury shall not End until They are Utterly Consumed. On the standard of the Thousand write: The Wrath of God is Kindled against satan and against the Men of his Company, Leaving no Remnant. On the standard of the Hundred write: From God comes the Might of War against All Sinful Flesh and evil. On the standard of the Fifty write: The Stand of the Ungodly is Ended by the Power of God. On the standard of the Ten write: Praised be God on the Ten-stringed Harp. When we march out to battle, we shall write on our standards: Truth of God, Justice of God, Glory of God, Judgment of God. And when we approach for battle, we shall write on our standards: Right Hand of God, Appointed Time of God, Tumult of God, Slain of God, War of God, Vengeance of God, Trial of God, Reward of God, Power of God, Retributions of God, Might of God, Extermination of God for all the Nations of Vanity; and when we return from battle in victory, our standards shall say: Honor of God, Majesty of God, Splendor of God, Glory of God, Salvation of God, Victory of God, Help of God, Support of God, Joy of God, Thanksgivings of God, Praise of God, Peace of God for the victory is already won and we claim this victory in the authority given to us as children of God!

AMEN.

Let our armor shine brilliantly with the radiance of the sun and let our shields of bronze be burnished like mirrors, for the adversary will be driven from light into darkness, and chased out of the world. Our shield shall be edged with an interlaced border and with inlaid ornament, a work of art in pure gold and silver and bronze and precious stones, so our enemy may marvel at the glory of the Lord and fear. In our hands we shall fight with a spear and a sword being made of gold, pure horn, precious stones and brilliant white iron, blanching to a near mirror finish, all made by master craftsmen for the Glory of the Lord most high.

We shall hurl seven javelins of war towards the enemy upon which is written "Shining Javelin of the Power of God" and "Flaming Blade to Devour the Wicked Struck Down by the Judgment of God," and on our darts is written "Bloody Spikes to Bring Down the Slain by the Wrath of God." Our gallant fighting angels shall ride as skilled cavalymen on each side on their stallions; they shall be swift and sound of wind with spear, javelin, buckler, bow and arrow to spill the blood of the wicked. In the midst of us, is our mighty and terrible God, causing all our enemies to flee before us. We shall beat the drum of war in our hearts and cry out, "We draw near to battle this day against our enemies. Do not fear! Do not let our hearts be afraid! Do not be terrified, and have no fear! For our God goes with us to fight for us against our enemies that He may deliver us."

Truly the battle is Thine! Their bodies are crushed by the might of Thy hand and there is no man to bury them. Thou didst deliver Goliath of Gath, the mighty warrior, into the hands of David Thy servant, because in place of the sword and in place of the spear he put his trust in Thy Great Name, for Thine is the battle. Many times, by Thy Great Name, did he triumph over the Philistines. Many times, hast Thou

also delivered us by the hand of our kings through Thy loving-kindness, and not in accordance with our works by which we have done evil, nor according to our rebellious deeds. Truly, the battle is Thine and the power from Thee! It is not ours. Our strength and the power of our hands accomplish no mighty deeds, except by Thy power and by the might of Thy great valor. For Thou wilt fight with our enemy from Heaven, for the multitude of the holy ones is with Thee in Heaven, and the host of the angels is in Thy Holy abode, praising Thy Name. Thou wilt muster the hosts of thine elect, in their thousands and myriads, with Thy holy ones and with all thine angels, that they may be mighty in battle, and may smite the rebels of the earth by Thy great judgments, and that they may triumph together with the elect of heaven. Valiant warriors of the angelic host are among our numbered men, and the Hero of war is with our congregation; the host of His spirits is with our foot-soldiers and horsemen.

Thou hast created us for Thyself, O God, that we may be an everlasting people. Thou hast decreed for us a destiny of light according to Thy truth. And the Prince of Light, Yahushua Ha Mashiach, which Thou hast appointed from ancient times to come to our support; and all the spirits of truth are under His dominion. But satan (belial), the angel of malevolence, Thou hast created for the pit; his rule is in darkness and his purpose is to bring about wickedness and iniquity. All the spirits of his company, the angels of destruction, walk according to the precepts of darkness; towards them is their inclination. But let us, the company of Thy truth, rejoice in Thy mighty hand and be glad for Thy salvation, and exult You forevermore, because of Thy loving-kindness and peace. O God of Israel, who can compare with Thee in might? Thy mighty hand is with the poor. Which angel or prince can compare with Thy redeeming loving-kindness? For Thou hast appointed the day of battle from ancient times to come to the aid of truth and to destroy iniquity, to bring darkness low and to magnify the light, to stand forever, and to destroy all the sons of darkness.

During all the mysteries of satan's malevolence, he has not made us stray from Thy Covenant. Thou hast driven his spirits of destruction far from us. Thou hast preserved the soul of Thy redeemed. There is no rescue for all satan's mighty men and no refuge for their swift devices. Thou givest to them a reward of shame, all their empty existence hast Thou turned to nothing. Damned as they are, all the substance of their wickedness shall quickly fade, like a flower in the summer-time.

Be brave and strong for the battle of God! For this day is the time of the battle of God against all the host of satan, and of the judgment of all flesh. The God of Israel lifts up His hand in His marvelous might against all the spirits of wickedness. The hosts of the warrior 'gods' gird themselves for battle, and the formations of the Holy Ones prepare themselves for the Day of Revenge, for the God of Israel has called out the sword against all nations, and He will do mighty deeds by the saints of His people. Rise up, rise up, O God of all, raise Thyself in might, King of kings! May all the sons of darkness scatter before Thee! The light of Thy greatness shall shine forth on gods and men. It shall be like a fire burning in the dark places of perdition; it shall burn the sinners in the perdition of hell, in an eternal blaze. Cursed be all the spirits of our enemy for their ungodly purpose, and may they be execrated for all their service of uncleanness! Truly they are the company of darkness, but the company of God is one of eternal Light. May the Lord strike our enemy with a great blow of Holy Spirit Fire causing destruction without mercy in His anger. Our enemy has established all their refuge in a lie, their strength is as smoke that vanishes, and all their vast assembly is as chaff which blows away, for the Lord Our God is a consuming fire, and when his whirlwind passes by, the wicked will be no more, but the righteous have an everlasting foundation.

Let our enemy see his destruction, and let him drink of the wrath of the Almighty. For the wicked are reserved for the day of doom. They shall be brought out on the day of wrath. Our hand will find all our enemies. Our right hand will find those who hate us and come against us. You shall make them as a

fiery oven in the time of Your anger. The Lord shall swallow them up in His wrath, and your Holy Spirit Fire shall devour them. For the sin of their mouth and the words of their lips and for the cursing and lying which they speak, let them even be taken in their pride. Consume them in wrath, consume them that they may not be, and let them know that God rules to the ends of the earth. Let their eyes be darkened, so that they do not see, and make their loins shake continually. Pour out Your indignation upon them, and let Your wrathful anger take hold of them.

Who knows the power of Your anger? For as the fear of You, so is Your wrath. The Lord rebuke you satan! It is written, 'You shall worship the Lord your God, and Him only shall you serve, for the Lord of Hosts will bind, crush and destroy you and your angels, demons, creatures, witches, warlocks, wizards, satanists, occultists and all those who come against God's children. You who are of darkness and are put under our feet, the feet of the children of God, before you enter the lake of fire.

Ruach Hakodesh, (Holy Spirit) infiltrate our souls in this moment. Reach into our hearts, like the flow of water, pouring into each new life, purifying us and cleansing us. Fill us with Your anointing, never to be without again, pouring out Your heavenly oil. Enter the depths of our souls and strengthen our spirits, watering the desert of our lives, creating pastures, sowing within our interiors, baptizing with your wind, blowing into our lives great revival. Pour your warmth into our lives and do not let the world quench our fire, so that we may continue to worship in fellowship with you always. And where there is this warmth of Ruach Hakodesh, let transformation of new life occur. This heat produces unity and is born in the depths of our soul, giving us the strength to fervently pray! AMEN.

We pray this fire of the Ruach Hakodesh will light the living flame in our souls. Your warmth is the fuel that brings us to revival, uniting your kingdom in love and in one body. We ask Yahushua, Our mighty Lord of lords and King of kings to stoke our fire so that it burns brightly for Your glory and for the kingdom. Let all see that we are the sons and daughters of the Most High and Our Righteousness and Holiness are from You.

We will sing of Your power and Your glory. Yes, We will sing aloud of Your mercy in the morning, for You have been our defense and refuge in the day of trouble. To You, O my Strength, we will sing praises, for God is our defense, Our God of mercy. No matter how many times we fall, may we get back up and fight the good fight until the day we stand before You in Your kingdom; and if this be our last hour, then may it be our finest hour to shine for Our Father and demonstrate that Greater is He, The Great I AM who lives in us, then he who lives in the world! We are the children of Our Father and we Praise Your Holy name forever and ever! We are at Your feet, at Your service, and we humbly pray for victory in Your Holy and precious name. We pray that You would hear our prayers and answer them according to Your perfect will. We adore you! We praise you! We honor and glorify You! You are The Most High and worthy to be praised! You are The Messiah, The Master of all creation. Your name is above all names- the King of kings and Lord of lords, Our Redeemer and Our Hightower- Yahushua Ha Mashiach.

HALLELUJAH! HALLELUJAH! HALLELUJAH!!
