

## A Prayer for Israel's Security

Oh, Lord God of Israel, we put our trust in You for the security of the nation of Israel. Your Word declares Mount Zion will not be moved! Israel shall abide forever according to Your Word. Adorn her land with Jerusalem as her undivided capital. Send Your shalom down on her, on her land and on her people, like a wedding canopy. Surround Jerusalem and Your people with Your mighty warrior angels. From the ends of the earth call the tribes of the Lord to come up to the Testimony of Israel. We give thanks for her and pray You would set Your thrones there for judgment. Choose Jerusalem as Your chief joy, and make her a praise in the earth! Prosper all her stones. Prepare her citadels for Your appearing. May the souls of all who love Jerusalem prosper. Send shalom to her walls. Pour out wealth on her palaces. We pray for the peace of Jerusalem and ask for peace upon Israel. Remove all Israel's enemies from around her.

Send forth Your angelic hosts to heed Your Word and carry out Your decrees for the apple of Your eye, Israel. Give supernatural protection within and outside her borders. Break the scepter of every wicked ruler who plots evil against the land allotted to the righteous. Cleanse Israel's borders of violence and bloodshed that those You love may not be tempted to do iniquity. Destroy the power and plan of every regime that threatens the peace and security of Your inheritance and the possession You have given them forever. As You showed favor to Esther in the evil day, we beseech You, stretch out the scepter of righteousness and justice to bring good to the upright in the land! Lead away all those who have dire plans, plots of terrorism, or schemes of destruction against Your people. Break apart any league among Israel's enemies who would force her to compromise her inheritance for the sake of false peace. Destroy any and all nuclear weapons in the hands of Iran and other enemies of Israel and remove nuclear capability from their midst. Make the plans of nations that would oppress and take away Your people to come to nothing! Give Your spirit of

wisdom and revelation to Israel's leaders that they may have complete success in defending the nation You have given Your people. Show them, Lord, that there are more with them than against them! May all of Israel see that the mountains are full of horses and chariots of fire.

Shepherd of Israel, bring back the captive of Jacob's tents, and have mercy on his dwelling places. Cause Jerusalem to be built on its own mound and remain according to its own plan. Make her inhabitants know thanksgiving and a merry voice. Multiply and glorify them. Establish them as a congregation before You, and punish all who oppress them. Make all who govern her and all her nobility come from her midst and not from strangers. Send out Your Spirit over the whole valley of Israel that all her bones may stand upright like a mighty army and live! Secure the dwelling place of Jacob in the land You have given them. Cause their children's children to lie down safely in the land of their fathers. Enact the covenant of peace that You have written to establish and multiply them. Raise up Your tabernacle which has fallen down. Set Your sanctuary in their midst forever. Let all nations see that You have set Israel apart for Yourself. Helper of Israel, do not allow her foot to be moved. Be her keeper and shade at her right hand keeping watch over her both day and night! Preserve Israel from evil. Preserve her going out and coming in both now and forever. Turn the hearts of all those who don't know you as Meshiach to you holy Father. Reveal Yourself powerfully so that all may believe that You are the Messiah, the only Son of Abba Father. In the name of Yahushua HaMashiach we pray. Amen!
